

# Screen Printing Pricing

## Screen Printing Pricing

Pricing depends on quantity, number of colors, and garment type. Contact us for a custom quote.

## General Price Ranges

Prices vary based on:

- **Number of colors:** Each color requires a separate screen, so more colors = higher setup cost
- **Quantity:** Higher quantities reduce the per-piece price significantly
- **Garment type:** Premium brands and specialty garments cost more than standard options
- **Print locations:** Front, back, sleeves — each location adds to the per-piece cost
